

# Cyber Loss Control Services

## for Small and Mid-Sized Businesses

Despite a company's best efforts to protect itself from a cyber attack through its own IT department, it may not be enough in today's rapidly changing cyber environment. Eligible AIG Cyber insureds receive the following tools and services, valued at over \$8,000, included with their policy to proactively help prevent a cyber incident.

### Employee Cybersecurity eLearning

Timely and measurable managed employee training and compliance courses available in more than 30 languages for up to 50 employees, tailored to employee roles to reinforce clients' security policies.

### Cybersecurity Information Portal

24/7 access to current cybersecurity information including best practices checklists, claims data, and a breach calculator. [Learn more >](#)

### Darknet Credential Exposure

Identify domain-level cyber risks from enterprise data that is exposed on the darknet with reports customized to the client's specific domain. [Learn more >](#)

### Identity Risk Assessment

An identity risk assessment of the client's active directory infrastructure to help identify risks and exposures, with consultation by a technician to help interpret the findings and answer questions. [Learn more >](#)

### Incident Response Plan

A tailored SME business incident response plan template to help ensure clients can respond quickly and efficiently to a cyber incident.

### Cyber Maturity Report Review

One-on-one remote session with an AIG cybersecurity and information technology expert advisor to review the client's risk posture and recommendations in their cyber maturity reports. [See a sample client report >](#)

### CyberMatics®

Patented technology service helps clients verify their organization's cyber risk posture, prioritize implementation of risk-reducing controls and make better investment decisions in their cybersecurity program – with the added benefit of more tailored policy terms and conditions. [Learn more >](#)

### Security Ratings

Clients can see how their internet security posture and network score from an “outside looking in” perspective, with easy-to-understand scoring systems.

### Cyber Claims Hotline

Once a call is made to the 24/7 hotline at 1-800-CYBR-345 (1-800-292-7345), the CyberEdge® Claims Team will coordinate with the client to implement their response plan, engage any necessary vendors to identify immediate threats, and start the restoration and recovery processes.
